Friday set up is from 10am to 6pm. Trailers and larger trucks MUST come Friday for setup. All vehicles must be off the field by 7pm on Friday. Saturday setup is from 6:30am until 8:30am. All cars must be off the field by 9am. Crafters ready to sell by 9:30am. The public will start to enter at 9:30am

All vehicles must enter at **44 Collis Ln, Chester, NJ 07930**
IMPORTANT: You must unload your vehicle to your space and move it BEFORE setting up.

If you are in space 1-4 - the fencing will be up on Saturday morning and you will need to dolly in by the Gazebo if you unload off of Main Street space is limited so get there early.

UNLOADING AND SETTING UP

Depending on the condition of the field, cars may not be allowed down the aisles. If the field is too wet, cars will only be allowed in certain "Park & Dolly" areas. These areas are on Main in front of the field, on Collis Lane, and at the back of the field (this last area may not be available if the field is wet). We have to be stricter at this show because the Little League will be during the field (may be using the field during the show depending on their game schedule).

PARKING & PARKING PERMITS

Parking on the field for exhibitors is extremely limited. Only ONE vehicle per crafter, as space permits, will be allowed in the field parking area and no larger than a cargo van. Once this lot fills, remaining vehicles will be sent to the auxiliary parking lot. NOTE: Box trucks, U-Hauls, RV's and larger vehicles MAY NOT park on the field.

We will issue you a parking permit that you must have displayed on the dashboard (faceup). One permit per crafter.

IMPORTANT: During breakdown, **vehicles pulling trailers** will NOT be allowed onto the field for at least 90 minutes. Prepare to wait.
